STORY

Established in 1990,

Koody Corporation started as an importer and distributor of Australian beef and processed foods.

Since 2021,

We have been exporting fruits and processed foods from Korea, and building a global distribution network over 20 countries.

Our strength

comes from working closely with over 100 local farms and packing house to ensure our products meet the highest standards of global G.A.P., HACCP and exceeding consumer expectations with competitive prices.

We understand

that consistency is not just a practice; it is our commitment to reliability, excellence, and building enduring trust with our partnerships
